

Scribblers™

WARNING: CHOKING HAZARD – Small Parts. Not suitable for children under 3 years.

SAFETY INFORMATION

This product is only for use by children 3 years of age and over and solely under the strict supervision of adults that have studied the precautions given in the instructions.

ADVICE FOR SUPERVISING ADULTS

Read and follow all instructions, safety rules and warning and the first aid information. You should keep these for reference. Incorrect use of chemicals of any nature can cause injury and damage to health. Adults must use discretion as to which products are suitable and safe for a particular child. The supervising adult should discuss the warnings and safety information with the child or children BEFORE commencing with use of the product. Particular attention should be paid to the safe handling of any chemicals, gels, or markers so that users do NOT ingest these or place them in their mouths or other orifices. The choking hazard of small parts should also be considered when deciding on the appropriateness of the product for the child and safe usage by the child. The surrounding area should be kept clear of any obstructions and the contents of the activity kept away from food or food storage. The play or work area should be well lit, ventilated and close to a water supply. Stainable fabrics and materials should also be kept away from play or work area.

SAFETY PRECAUTIONS:

Children should be supervised when using this Product as small parts may cause choking hazards and ingestion of chemicals could cause illness or injury. This Product must be used with caution and common sense. It may require some manual dexterity or basic mechanical ability. Failure to use this Product in a safe and responsible manner could result in injury, damage to the Product or other property. It is essential to read and follow all the instructions and warnings prior to assembly, setup or use, in order to use correctly and avoid damage or injury.

IN CASE OF ACCIDENTAL INTAKE OF A CHEMICAL OR OBJECT - CALL 1-800-222-1222

This toll free number will put you in touch with the poison control center in your state.

WARNING: If your child has collapsed or is not breathing CALL 911 IMMEDIATELY

SAFETY RULES:

1. Read these instructions before use, follow them completely and keep this sheet for future reference.
2. Keep young children and animals away from the work area.
3. Markers are safe and non-toxic but not suitable for ingestion. Do not eat markers.
4. Markers may stain. Wear appropriate clothing and keep markers away from furniture, fabrics and carpets.
